AAROHI: Ascending Beyond Limits
Women's Day Celebration
Overview

Objective:

The **Aarohi Women's Day Celebration** successfully empowered and inspired women by fostering a culture of inclusivity, innovation, and leadership. The event provided a platform to recognize the achievements of women across various fields, facilitate meaningful discussions on gender equality, and promote entrepreneurial and professional growth. Through engaging sessions, interactive workshops, and insightful talks from industry leaders, Aarohi created an environment where women connected, learned, and drove positive change in their communities.

7. Uma Narayanan, Faculty Coordinator, Aarohi 2025

About the event:

The event commenced with a ceremonial lamp lighting, symbolizing enlightenment and progress. The formal proceedings began with a welcome address by Dr. Sunitha Grandhee, setting the stage for a day of

learning and empowerment. Prof. Ajay Kapoor delivered the presidential address, emphasizing the role of education in empowering women and the need for institutions to provide equal opportunities and resources. The inaugural address by Sujata Madhav Chandran focused on women empowerment, highlighting the importance of recognizing women's contributions, encouraging leadership opportunities, and creating an inclusive ecosystem. As a token of gratitude, Prof. Ajay Kapoor, Sunitha Grandhee, and Dr. Anand H.S. presented commemorative gifts to the distinguished guests.

Following the formal proceedings, the event took a vibrant turn with a dance performance by students from the Institute of Science and Technology, choreographed by Akshara M. K (2nd Year, B.Tech Computer Science). This was followed by the "Women in Tech" session by Ms. Raji P (Founder, RastelX Technologies), where she shared insights on breaking gender barriers in technology, mentorship, networking, and the impact of emerging technologies like AI and cybersecurity. She also spoke about her ventures, including Village Zone, an e-commerce platform empowering women entrepreneur, and Companion SOS, a safety mobile app.

A cultural performance by students of B.Tech Cyber Security, led by Amrutha S. Nair (First Year, B.Tech CY) added to the celebratory spirit. This was followed by the "SheLeads: Women in Business" session by Dr. Usha Narayanan, who emphasized financial independence, leadership roles, overcoming workplace challenges, and the impact of women-led startups on the economy. With her extensive background in dentistry, psychology, and counseling, she also shared insights into the mental and emotional aspects of women's professional growth.

After a lunch break, the afternoon session featured engaging competitions:

1. Exit or Extinct – an Escape Room Challenge testing problem-solving and teamwork skills.
2. EmpowHER – a problem-solving and idea-pitching competition where participants presented innovative solutions to gender-related challenges.
3. Battle of Brains – a quiz competition celebrating the achievements of women in various fields.

The event concluded with the prize distribution ceremony, followed by a cultural showcase led by Aadarsh P. Hareesh and team (First Year, B.Tech CSE). The energy and enthusiasm of the participants left the audience inspired and uplift

Conclusion:

With an outstanding lineup of speakers, interactive competitions, and vibrant performances, the **Aarohi Women's Day Celebration** was a resounding success. It not only honoured the contributions of women but also initiated impactful conversations on empowerment, leadership, and the future of women in innovation

and entrepreneurship. The event was a true celebration of inspiration, learning, and progress, marking yet another milestone in the journey toward gender inclusivity and equality.
